

# THE PATH TO YOUR NEW CANDLELIGHT HOME

**START**

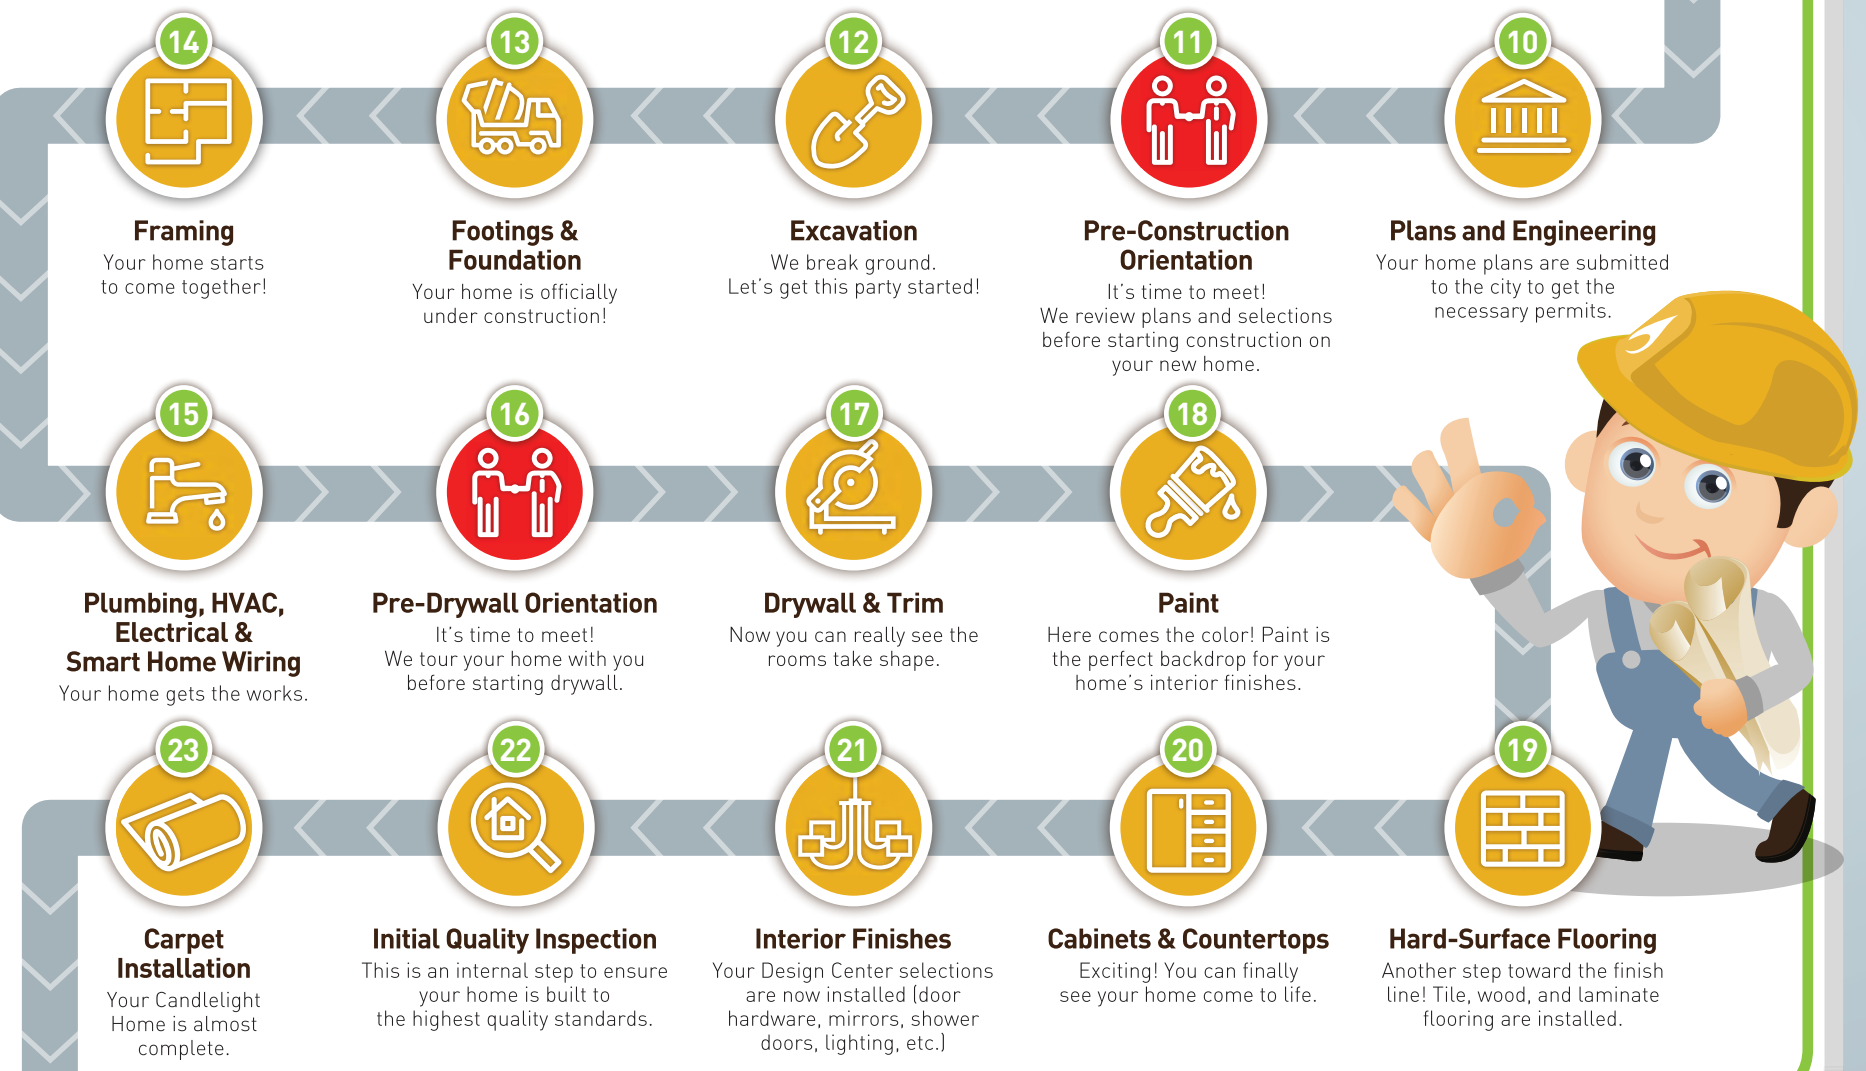

## PRE-CONSTRUCTION

There are many things that need to be completed before construction begins on your new home. We finalize everything up front to ensure the entire building process goes smoothly.

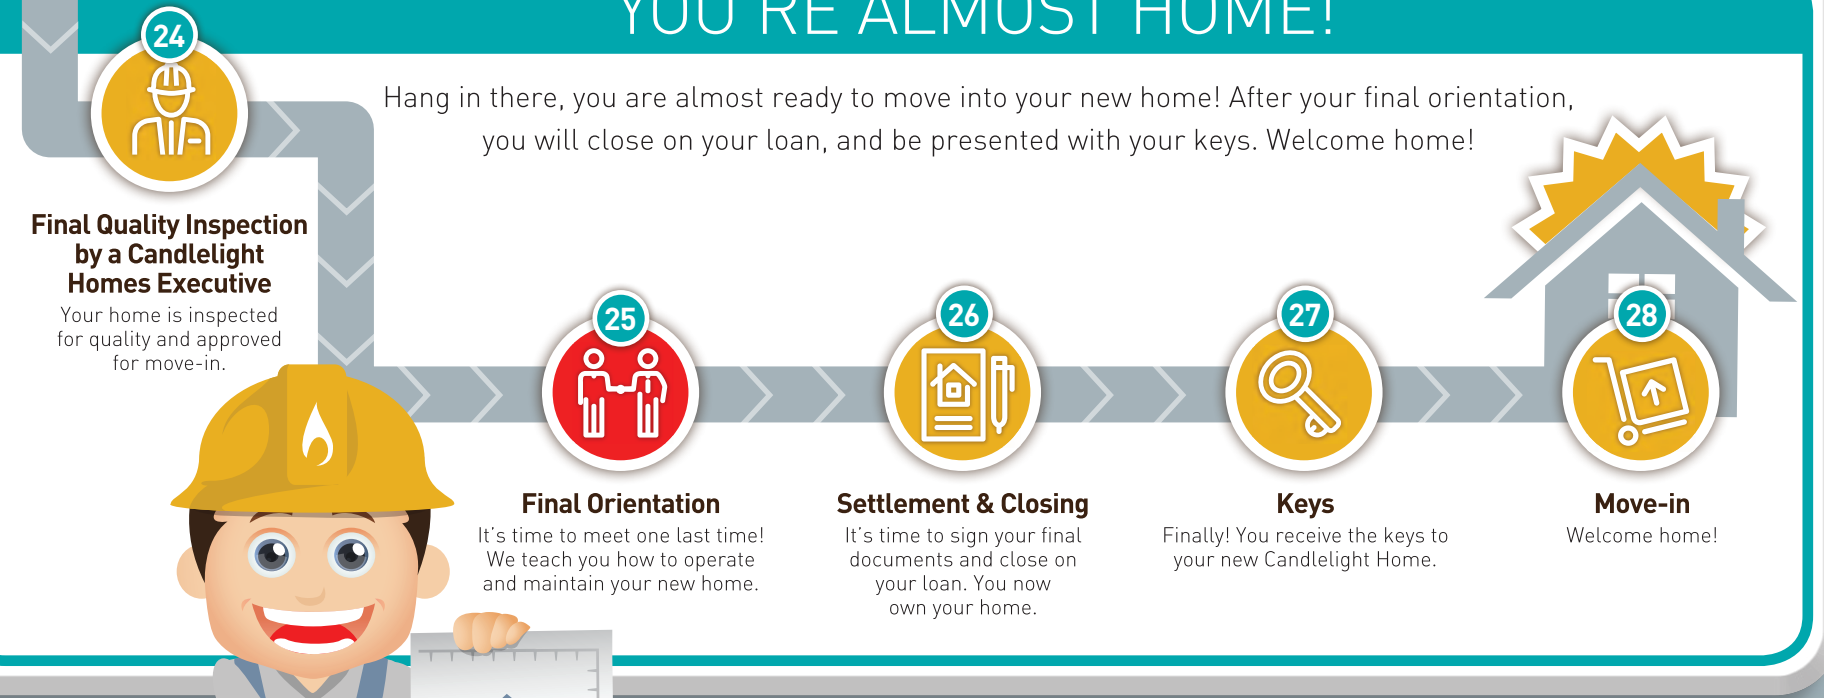

## EXTERIOR & INTERIOR CONSTRUCTION

Now the fun begins! After all the paperwork has been finalized and the final selections for your home have been made, construction of your new house begins. From this point, no additional changes to your home can be made.

## YOU'RE ALMOST HOME!

Hang in there, you are almost ready to move into your new home! After your final orientation, you will close on your loan, and be presented with your keys. Welcome home!
